A NOTE FROM HIGHLAND FRIENDSHIP CLUB'S EXECUTIVE DIRECTOR

Hello Friends –

Everyone at Highland Friendship Club is excited to welcome the summer, which means warmer weather and more opportunities to gather with our members outside! In this program catalog, you will find some new adventures for our members, while we will continue to offer virtual opportunities so that everyone can participate in ways that work best for them. We look forward to seeing you in the coming months!

Thank you to all of our staff members and volunteers, who continue to provide the best possible experiences and programs for Highland Friendship Club members of all interests! Their energy, creativity and teamwork makes HFC such an amazing place to make friends, learn new skills, and connect with our community.

And thank you to all of our members, caregivers and families for bringing the smiles and magic to our programs. We are so glad you are part of HFC.

Have a fun summer!

Patty Dunn
Executive Director

VIRTUAL CLASSES

Highland Friendship Club's virtual programs, classes and events are designed for teenagers and adults with disabilities who have a wide range of interests, skills, and ability levels. It can take time for HFC members to get used to an online format, so we encourage members to try a class a few times before deciding it's not a good fit for them. If an HFC member tries a virtual program, class, or event and decides it doesn't work for them, they can contact the program manager who will help them switch to a different class or can issue a credit to their account.

ONLINE CLASS INFORMATION

- You will receive an email with class information including the Zoom link at least one hour before class begins. If it is less than an hour before class begins and you have not received an email with class information, please contact our Program Manager Katie Markquart at katie@highlandfriendshipclub.org.
- We have an HFC staff person on each call to help with any tech issues you may have, and that person's phone number is also in the email you will get the morning of a class. You can call them directly if you have any issues at all with the technology, and they can help problem solve it.
- The site we use to hold our online classes is called Zoom. You will have to create a free Zoom account and download the Zoom app before your first class.
- You can use any device, but it is easiest if you have a computer or tablet rather than a phone so you can see better.

We welcome parents and caregivers in our classes as active supports for their HFC members. HFC has staff and volunteers in class to provide general support to members, but if an individual needs a fair amount of assistance, we ask that a parent or caregiver participate in class alongside their member. We recognize that the amount of support a member may need often changes from class to class, and it can be difficult to determine when to assist someone or when you should give them space to participate on their own. You can always ask HFC staff if it would be helpful for you to provide support during class if you aren't sure.

Plan on being an active support to your member in HFC classes if:

- Member needs physical assistance to carry out an activity we are doing in class
- Member tends to wander away from the group or gets distracted easily, and we are in a setting where that could be dangerous
- It is necessary to provide support in order to keep member safe during an activity
- Member needs support with assistive technology
- Member can become physically or verbally aggressive with others
- If you do stay to support your member please remember to:
 - Encourage participation
 - Allow for independence while remaining a support
 - Interact with other members and the whole group, not just the person you brought

Plan on remaining in class on the sidelines if:

- Member can safely participate in the HFC activity taking place with minimal support
- Member has a health condition, such as a seizure disorder, that could cause them to need medical intervention during an HFC class
- Member needs assistance using the bathroom
- Member needs medication administered to them during the class

****If an HFC member is able to arrive to HFC classes and/or depart classes without a parent/caregiver present, we need permission to be given for this on our [Member Questionnaire](#). Otherwise, the expectation is that HFC members will be signed into class by a parent or caregiver and signed out after class by a parent or caregiver.****
