

HIGHLAND FRIENDSHIP CLUB

YOUR CLUB. YOUR LEGACY.

Planned Giving is Easy at Highland Friendship Club

Highland Friendship Club provides a chance to belong.

Highland Friendship Club (HFC) offers teens and young adults with disabilities opportunities to fully engage in their community and connect with others in a meaningful way. HFC is a place where our members make friends, learn new skills, and become healthier, happier individuals. As a result, they form bonds with each other and create communities of support.

Many of our supporters choose to leave a charitable gift to the Highland Friendship Club in their will to make sure important resources continue to be available for all.

It's simple, effective, and anyone can do it.

Your gift makes a difference.

When you support HFC, you help our members thrive!

Community Engagement

Members promote self-advocacy and increased confidence as well as practice safety skills during community-based activities.

Health & Wellness

Members LOVE to exercise and learn new wellness practices that help them lead healthier lives!

Fun with Friends

HFC offers several chances to relax, catch up, and visit with forever friends!

Artistic Expression

A wide array of artistic opportunities highlight the creativity, ability and capacity of our members.

Community Club

HFC offers innovative daytime activities for members who choose to spend time in the community versus the more restrictive conventional programming. Community Club is quickly becoming a model of how people with developmental disabilities can be an integral part of their communities.

It's easy to leave a charitable gift.

There are many different ways to leave a gift to Highland Friendship Club. Please contact us to discuss what strategies might work for you.

Friends Forever Circle

The Friends Forever Circle honors those who have made a legacy gift to Highland Friendship Club. They understand the importance of continuing HFC so future generations of young adults with disabilities will have these essential activities available and enjoy lifelong friendships. When you make a planned gift to HFC, you automatically become part of the legacy of the Friends Forever Circle. Your support also serves as an example for others to make the same commitment.

"When I was little, my mom worried about my future, and if I would have friends and a social life...HFC means I didn't spend my summer or weekends isolated. It means getting out in the community, acceptance, trying and learning new things. Most of all, HFC means lifelong friendships!"
